standards worldwide...

APPLICATIONS

THE ERASER instantly removes marks and stains from walls, appliances, countertops, bathroom fixtures and countless other hard surfaces. It is especially effective on permanent marker, crayon, ink, graffiti, lipstick, scuff marks, fingerprints, luggage marks, tea, soap scum, coffee and wine stains. It also shines chrome, brass, copper and stainless steel.

Areas of Use

THE ERASER effectively eliminates stubborn stains on: walls • wallpaper • doors • floorboards • tile • wood flooring • countertops • work surfaces • lockers • signs • dry-erase boards • copy machines • vinyl • glass • plastic trim • leather • hard furniture • outdoor furniture • shower doors • car wheels • stainless cookware • computer monitors and hardware • church pews • countless other application areas!

DIRECTIONS

1. Wet THE ERASER completely and gently squeeze out excess water. Do not wring. Scrub with the appropriate pressure until the stain is removed.
2. Follow with a dry cloth to remove damp areas and to achieve optimal results.
3. Rinse the sponge with clean water to clear dirt residue. Squeeze dry and store.
4. Dispose when white melamine cleaning surface is completely gone.

Note: Test on small area before applying to entire surface.
